

# *South Cerney with Cerney Wick Parish Council*

## **Village Plan 2013**

Below are listed the main objectives adopted by the Parish Council.

	<b>Objective</b>
<b>Ongoing</b>	Continually monitor and review parish cleanliness and maintenance
	Continue to support projects/organisations that receive funding from the annual parish precept
	Work with organisations to alleviate flooding within the parish
	Work with organisations to alleviate drainage and sewage issues within the parish
	Support and maintain relationships with the local MP Flood Forums
<b>Short term</b>	Set up an emergency committee
	Design, construct and post manage a new Youth and Community facility in the parish
	Support play equipment project at Cerney Wick
	Investigate potential for developing a Neighbourhood Development Plan in the parish to influence development
	Encourage responsible dog ownership within the parish through regular notices in the parish newsletter and additional notices and publications where appropriate
<b>Medium term</b>	Provide additional facilities in the parish as the need arises
	Improve street lighting, in specific areas
	Improve parking in the parish
	Consider the development of displays at the entrances to the parish – floral or other considered
	Investigate a 20 mph speed limit in the centre of the village
	Monitor the canal redevelopment and ensure community benefit is sought
<b>Long term</b>	Investigate the creation of footpaths and cycle routes: <ul style="list-style-type: none"> <li>• To Cirencester</li> <li>• Spine Road to village along Broadway Lane</li> <li>• To the Army Camp, Duke of Gloucester Barracks</li> <li>• Station Road missing link</li> </ul>
	Investigate setting up a local business forum to encourage two way communication
	Support the development of R Way Youth Group, including the ongoing recruitment of new members and eventual housing in a new Youth and Community Centre
